

women of Central Florida and its health care advocates fight to get patients the treatment they need when diagnosed.

In 2009, Robin left her successful career as an Orange County Crime Scene Investigator to work full time at LLBCF, where she fights daily for her patients to receive the treatment they need and deserve. Since it opened its doors, LLBCF has provided over 4,000 breast health services and diagnosed more than 65 cases of breast cancer. Today, 114 children still have their mothers because of Robin's tireless efforts after losing her own mother. Through their leadership and legacy, Libby and Robin continue to save lives.

I am happy to honor Libby and Robin Maynard, during Women's History Month, for their service and contributions to the Central Florida community.

RECOGNIZING THE SERVICE AND  
COMMITMENT OF THE GRAYS  
HARBOR COMMUNITY FOUNDA-  
TION TO GRAYS HARBOR COUN-  
TY IN WASHINGTON STATE

**HON. DEREK KILMER**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 1, 2014*

Mr. KILMER. Mr. Speaker, I rise today to recognize the 20th anniversary of the establishment of the Grays Harbor Community Foundation, which has provided unwavering support to the greater Grays Harbor County community.

The Grays Harbor Community Foundation was established in 1994 to partner with residents to make investments in the future of our region. Through scholarships, grants, partnerships, and support for the arts, the Foundation has inspired long-term philanthropy and community investment.

Mr. Speaker, I'd like to highlight a few of the many accomplishments of the Foundation. In 2012, the Foundation launched the Technology Initiative and provided grants to five school districts that gave them the resources to integrate innovative learning tools into the classroom and increase student engagement and achievement. I applaud their efforts. We know that it is critical to make investments in school technology so that all students have access to critical tools they need to remain competitive in today's increasingly technology-dependent world.

I commend the Foundation's scholarship program, which supports students' aspirations of pursuing education beyond high school. Education is the door to opportunity and for a lot of families—including mine—financial aid is the key to that door. This Foundation has done exemplary work partnering with students to help them open that door.

Mr. Speaker, the Foundation also partners with an array of excellent local organizations to build art installations, provide safe places for kids to learn and play, fund afterschool programs, help families cover unexpected expenses, and provide access to legal resources. I applaud their work in meeting community needs and making Grays Harbor a better, more vibrant place to live.

I am happy to join in the celebration of the Foundation's 20th year. As I close, it is only appropriate to acknowledge the work of Exec-

utive Director Jim Daly, Finance and Accounting Officer Jim George, Program Officer Cassie Lentz, Office Manager Cari Jewell, and the Foundation's Board of Directors for their ongoing support of the Grays Harbor Community Foundation. It is my sincere pleasure to recognize their outstanding service today in the United States Congress.

IN RECOGNITION OF THE HONOR-  
ABLE LOUIS A. BECKER'S EX-  
TRAORDINARY WORK AS A  
JUDGE

**HON. C.A. DUTCH RUPPERSBERGER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 1, 2014*

Mr. RUPPERSBERGER. Mr. Speaker, it is with great honor that I rise before you today to recognize the efforts of a truly significant individual in the judicial field. Not only is it a privilege to know Judge Louis A. Becker, but also to call Judge Becker a friend. Our lives had some remarkable commonalities. We both worked as a lifeguard in Ocean City, Maryland. We both played lacrosse during our school years and graduated from the University of Baltimore's Law School. Finally, we both worked for our Nation's Intelligence communities during our long careers in public service.

The Honorable Louis A. Becker was appointed by Governor Ehrlich as an Associate Judge of the Circuit Court for Howard County in July 2005, after having been appointed by Governor Schaefer to the District Court of Maryland for Howard County in 1989. On occasion, he has been specially assigned to Maryland's 2nd highest appellate bench, the Court of Special Appeals. Thus, he has adjudicated thousands of bench and jury trials involving major felonies and complex civil cases and authored several appellate opinions.

He is a graduate of Loyola University, B.S., Political Science, 1965 and the University of Baltimore School of Law, J.D., 1970. Having served on active duty and the Reserves from 1965 to 1994, he retired as a Lieutenant Colonel, U.S. Army Intelligence.

Prior to the bench he practiced law with emphasis in the areas of criminal law, real property, corporate, computer, and professional malpractice. He was formerly a member of the Board of Governors of the Maryland State Bar Association and served on its Ethics & Judicial Selection Committees, and Solo/Small Firm Practice Section Council. As Chair of the latter in 1999–2000, he received the American Bar Association Solo/Small Firm Bar Leader of the Year Award. He is a Fellow of the Maryland and Howard Bar Foundations. He is Past President of the Howard County Bar Association and he is currently serving a second term as President of the James Macgill American Inns of Court; an organization dedicated to promoting judicial and legal excellence. He served on the Maryland Attorney Grievance Commission from 1975 to 1980.

Judge Becker has written and lectured on search and seizure law as well as lawyer and judicial ethics for the Maryland Judicial Institute, the New Trial Judges Orientation Course and the Maryland Institute for Continuing Professional Education of Lawyers (MICPEL). Having taught Professional Responsibility, he

is currently teaching Trial Advocacy at the University of Baltimore Law School where he was awarded Adjunct Professor of the Year in 2003, and has been a member of the Dean's Advisory Council since 1994.

As a judicial leader, he was the founder of the first Drug/DUI Treatment Court in Howard County. Over the years his community involvement has included service on the Board of Trustees of the Howard County Library, the Howard County Executive's Mental Health Services Restructuring Task Force and the County Youth Lacrosse Program.

His wife of 46 years, Shawn, a Registered Nurse who holds a Master's Degree in Nursing Policy, is Senior Director of Patient Safety, US Pharmacopeia (USP). He has two grown sons; one of whom is a commercial banker and the other a construction project manager, and three grandchildren.

Mr. Speaker, as you can see from this incredible list of accomplishments, Judge Louis A. Becker has had a distinguished career as an attorney and a judge for the State of Maryland. He has served our country with distinction. I ask that you join with me today to applaud the tremendous work he has done for our courts and our community as he enters retirement.

COMMEMORATING THE 35TH ANNI-  
VERSARY OF THE TAIWAN RELA-  
TIONS ACT

**HON. SCOTT DesJARLAIS**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 1, 2014*

Mr. DESJARLAIS. Mr. Speaker, today I rise to honor and commemorate the 35th Anniversary of the passage and signing of the Taiwan Relations Act (TRA) on April 10, 1979. I would also like to congratulate and welcome Mr. Lyushun Shen as the incoming Representative for Taipei Economic and Cultural Representative Office (TECRO) in the United States.

The TRA has molded our relations with Taiwan and has provided the backbone for a productive and constructive partnership between our two countries.

The ability of the people of Taiwan to defend themselves has been the hallmark of the TRA's success and has led to a sustained peace and stability in the Taiwan Strait, as well as in the Western Pacific. In an ever evolving geo-political environment, we must recognize the continuing importance of Taiwan's self-defense needs going forward to ensure that peace continues to prevail.

In addition, with our commitment to Taiwan under the TRA, Taiwan has developed into a democracy with a flourishing economy and free market system. In 2012, the bilateral trade volume reached \$63 billion, making Taiwan the United States' 11th largest trading partner. Taiwan's commitment to free market principles, demonstrative economic power, and role as a global supply chain hub make it an important partner in international trade.

The security and stability in the region, along with Taiwan's commitment to free market policies, have resulted in unprecedented economic growth. Taiwan's commitment and participation in international free trade should not only be lauded, but should be bolstered around the globe. I look forward to Taiwan's

continued growth as a trade partner and celebrate its relationship with the United States.

ON THE OCCASION OF THE CENTENNIAL OF LOCAL 636 OF THE UNITED ASSOCIATION OF JOURNEYMEN AND APPRENTICES OF THE PLUMBING AND PIPE FITTING INDUSTRY IN SOUTHEAST MICHIGAN

### HON. GARY C. PETERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 1, 2014*

Mr. PETERS of Michigan. Mr. Speaker, it gives me great pleasure to rise today to congratulate the members and leadership of the Steamfitters, Pipefitters, Refrigeration and Air Condition Service Local Union 636 as they gather to celebrate their local's centennial and recognize them for their many important accomplishments.

As the Detroit chapter of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry (UA), Local 636 and its members are part of an organization with a rich history that has supported our country in moments of crisis. As key participants in the Public Works Administration and Works Progress Administration during the New Deal, members of the UA put their skills and experience to work for the revitalization of our Nation—constructing many roads, dams, schools, libraries, and other public buildings that are a testament to the ingenuity of American workers. Furthermore, as citizens across the United States rose to answer the call to serve our Nation during WWII, members of the UA entered our Armed Forces and went to work in the Arsenal of Democracy—constructing equipment that was vital to our Nation's success. As a community that was central to industrial innovation and output during WWII and the decades that have come since then, the members of Local 636 in the greater Detroit area have a unique and strong bond to these significant moments in our history.

With the mission of promoting the building trade professions through supporting high standards of excellence, the members of Local 636 are engaged in work that impacts the quality of our lives at home, at work, and in our leisure time. These high standards include a strong commitment to the ongoing education of its members, which Local 636 supports with a three-acre training center where its members can receive practical hands-on training for a number of disciplines including steam and hydronic heating systems, building automation systems, and industrial controls. Furthermore, through its programs, Local 636's education center provides members with cer-

tifications in pipefitting mastery, industrial process control calibration, EPA refrigerant recovery, orbital welding, and for many other practical applications. The end result is an educated workforce that is well positioned to capitalize on advancements in technology and thereby, able to serve the changing needs of the greater Detroit region.

Mr. Speaker, in the past one-hundred years, the members of trade unions have been at the center of so many advancements in the workplace, in the pursuit of social justice, and in improving the quality of education. Many of the protections and rights that we enjoy in today's workplace are a result of their decades of struggle and dedication. Local 636 of the UA has a proud history that includes these valiant pursuits and as their members gather to celebrate and reflect upon their achievements over the last 100 years, I congratulate them on the impact they have made and the commitment they continue to embrace in support of their members and Michigan's middle-class families.

#### HONORING THE LEGACY OF DR. FRANK KITAMOTO

### HON. DEREK KILMER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 1, 2014*

Mr. KILMER. Mr. Speaker, I rise today to recognize Dr. Frank Kitamoto, and offer my condolences to his family and friends in light of his passing. As President of the Bainbridge Island Japanese Community for over 25 years, Dr. Kitamoto has helped thousands of people learn about Japanese American incarceration during World War II. His leadership and mentorship has impacted the Bainbridge Island community for years to come.

At the age of two, Dr. Kitamoto and his family were among the 277 Bainbridge Island residents forced from their homes and taken to Manzanar War Relocation Center in California, as directed by Executive Order 9066 and Civilian Exclusion Order No. 1. Later, his family was transferred to the Minidoka War Relocation Center in Idaho. They were the first required to leave their homes. In total, 12,000 Japanese American Washingtonians were forced out of their homes for the duration of the war. After World War II he returned to Bainbridge Island and served as a dentist for the community.

It was important to Dr. Kitamoto that people remember and students learn about Japanese American history and forced relocation during WWII. In 1983, he began an oral history project of Japanese American culture and internment so that people could listen to their compelling and heartfelt stories. Dr. Kitamoto visited classrooms in Washington State and traveled around the country to share these stories and talk about the Japanese American experience during WWII.

Dr. Kitamoto played an integral role in the installation of the Japanese American Exclusion Memorial on Bainbridge Island. He has been honored by the Bainbridge Island Arts and Humanities Council with the Island Treasure Award and the Kitsap Human Rights Commission bestowed the Lifetime Achievement Award.

Mr. Speaker, our nation owes a debt of gratitude to Dr. Kitamoto for his commitment to

human rights and dedication to ensuring that the stories of this difficult period in American history are told. While Dr. Kitamoto was greatly missed at the 72nd anniversary commemoration of the forced removal of Bainbridge Island Japanese Americans, his memory and great work will never be forgotten. I am pleased to recognize his service to the community and honor his legacy today in the United States Congress.
